P. O. Box 1021
Jacksonville, Texas 75766

February 06, 2018

Dear Member:

You are cordially invited to attend the Annual Meeting of the Stockholders of North Cherokee Water Supply Corporation at 7:00 P.M. on Thursday April 26, 2018 at the general office located on the corner of Hwy 69 and FM 177 in Mt. Selman, Texas.

Plans for the 2018 Annual Meeting are being made. There will be two Board of Directors positions open with each serving a three year term. Nominations for these positions will be accepted at the office until March 08, 2018. If you wish to make a nomination please come by the office and do so in writing. Nomination forms will be available at the office.

North Cherokee Water Supply has continued making improvements to your water system. We are planning a distribution line replacement project this year. The upgrade is in the Mixon community with the installation of a 6" water line for approximately 2 miles on State Highway 135, adding further capacity and water availability to the area. This is the third year of our radio read meter changeout program set to be complete in 2020.

In 2017 our office started accepting bank drafts as a form of payment, applications can be picked up at our office. For your convenience a drive thru drop box was installed by the flag pole in our parking lot.

North Cherokee Water Supply Corporation still offers our customers the option to pay online and download forms for new service at www.northcherokeewsc.com. We also accept credit and debit cards at our office.

North Cherokee Water Supply Board of Directors would like to thank you for your support as we strive to provided the best service possible to our customers.

Your present Board:

Sammy Grimes - President
James Tarrant - Vice-President
Lottie Spraggins - Secretary/Treasurer

Allie Faye Busby
Bryan McFarlin
Bruce Rollins
Michael Ward, Sr.

Thank you,

Sammy Grimes
President
North Cherokee Water Supply Corporation
